€14,000

A large and versatile plot of land measuring approximately 3,876 square meters is for sale. It is fully fenced, ensuring greater security and protection for your crops and agricultural projects. This land features a fully productive vineyard plantation, ideal for producing high-quality wines, in an area that combines tradition and growth potential in the wine sector.

Furthermore, beneath the surface of the vineyards, there is an additional terrace that offers the opportunity to expand the plantation or diversify the crops according to your interests and needs. The land has an irrigation system with sufficient capacity to maintain and enhance any type of crop you wish to implement, thus facilitating the management and development of your agricultural projects.

Located just 10 minutes from Caniles, you can enjoy proximity to all necessary services and amenities, making this property an excellent investment for those looking to venture into agriculture or wine production in a privileged area of the region. A perfect opportunity for entrepreneurs and winemaking enthusiasts who want to boost their business in a safe and well-equipped environment.
