Casa Hiedra

Seron

€45,000

Townhouse with 3 floors and basement, distributed as follows.

Ground floor: living room, kitchen, 2 more rooms.

First floor: living room, 2 bedrooms, bathroom and storage.

Second floor: 3 rooms.

The cover of the house is a terrace, from where we enjoyed spectacular views towards the town and towards the valley of Almanzora.

The basement has access inside the house and accessed directly by another street in the back of the house.

Housing these conditions to live but needs some improvement work, On the part of the basement can enable a separate apartment which can give multiple uses. In the village we have all the necessary services such as shops, bars, restaurants, medical center, sports and leisure centers, etc. And weekly market on Fridays. For the location of the village it is ideal for all kinds of outdoor activities.
