Village house with two floors distributed as follows: ground floor living room, kitchen with fireplace, bathroom, 2 bedrooms, first floor 4 bedrooms, 2 bedrooms, bathroom. It is in perfect condition to live in, in the back it also has a piece of land where we can make a patio or garden, and by demolishing the rooms of the animals we can have a perfect area to use as a terrace, barbecue area, etc. The house is located in a very quiet area of the town and very sunny, which gives it a lot of natural light. It has magnificent views since the town is surrounded by nature so it is ideal for people who seek tranquility, practice outdoor sports such as hiking, mountain biking, observing nature and animals. Bayarque has these services such as a pharmacy, shop, bar, municipal swimming pool, sports court, etc. At 1 kilometer we have Tijola with all services such as a medical center, pharmacies, shops, bars, sports center, municipal swimming pool, weekly market on Saturdays, etc.

Property located in Bayarque, Valle del Almanzora, interior of Almeria
